Thank You!

Rebecca Wilder, RDH, BS, MS

A large number of individuals have contributed to making this past year a recording breaking one for the *Journal of Dental Hygiene*. We had more submissions this year than any year previously! In addition, we were able to provide our members with the Proceedings of the North American Dental Hygiene Research Conference. None of this would be possible without the energy, diligence, commitment and enthusiasm from a huge number of ADHA members and other professionals who make the publication possible.

I wish to gratefully acknowledge the support and valuable contributions of the *Journal* staff editor, Josh Snyder. Also, many thanks to Jeff Mitchell, Director of Communications, and Jean Majeski, Man-

aging Editor of *Access Magazine*, who has assisted us with the print *Journal*. I also want to publicly

acknowledge the support from Ann Battrell, Executive Director of ADHA for recognizing the importance of research and scientific inquiry to the forward progression of our profession.

We are proud of the peer review process and the quality publications that culminate from the efforts of the editorial review board. These volunteers make our publication one that all of us can be proud of as we strive to continuously grow our body of knowledge.

Thank You!

Sincerely,

Rebecca Wilder, RDH, BS, MS
