2012: A Year In Review

The Journal of Dental Hygiene continues to grow! We could not see such success without the participation of a large number of individuals! We have experienced more submissions than the previous year and we hope to do so again in 2013! We have a lot of people to thank for the success we have enjoyed this year starting with our contributors! Many professionals are writing and making contributions to our literature. We would not exist without you!

I wish to gratefully acknowledge the support and valuable contributions of the American Dental Hygienists' Association for their commitment to the Journal of Dental Hygiene and for recognizing the value of scholarship to the growth of the profession. Specifically, I wish to thank our Journal Staff Editor, Josh Snyder for his attention to detail and professional manner. Also, thanks to

Ann Battrell, Executive Director of the ADHA for her support of the Communications Divisions and her leadership at the ADHA.

We are proud of the peer review process and the quality publications that culminate from the efforts of the editorial review board and the other academicians who assist us with quality reviews. These volunteers, whether regular members or guest reviewers, make our publication one that all of us can be proud of as we strive to continuously grow our body of knowledge.

Thank You!

Sincerely,

Rebecca Wilder, RDH, BS, MS
